Evolution
DANCE & CHEMISTRY

THE IMPRESSIVE
ANTISTRESS ACTIVE
FOR **BRAIN-SKIN**
CONNECTION

FROM ALFALFA SPROUTS THE NATURAL STRESS RELIEVER ACTIVE,
AKOSKY™ MINDLIGHT,
FOR RESTORING THE SKIN HORMONAL BALANCE AND
PRESERVING CELL MECHANICAL PROPERTIES

AKOSKY™
LINE
CELLREBIRTH™

EXPRESSION WRINKLES AND SKIN DAMAGE REDUCER

ORIGIN

Fresh Alfalfa (*Medicago Sativa*) Sprouts Concentrate

DESCRIPTION

Compared with their seeds and mature counterparts, sprouts are richer in **health-promoting phytochemicals**.

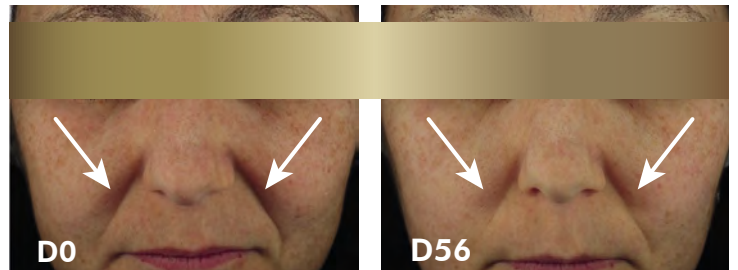

AKOSKY™ MINDLIGHT is obtained from **Alfalfa Sprouts**, which are rich in **phenolic compounds** and **triterpenoid saponins**, that counteract skin signs induced by psychological stress by acting on cortisol biosynthesis.

Efficacy tests show that the application of **AKOSKY™ MINDLIGHT** promotes cell proliferation, and preserves the mechanical property of dermal cells (demonstrated with an innovative approach), thus preventing **skin aging** and **skin damage** in stressed skin.

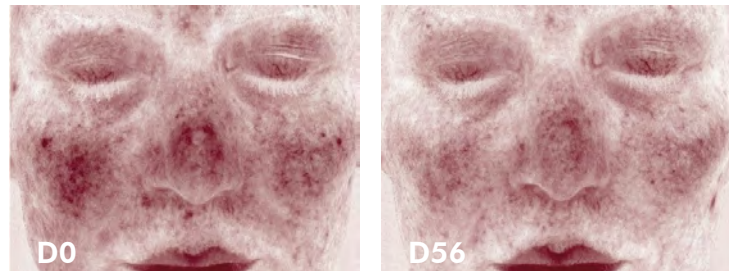

EFFICACY

In vitro testing shows **reduced Cortisone-induced cortisol levels** and **increased proliferation of human keratinocytes** compared to cortisone-treated cells. Furthermore, it shows **reduced fibroblast stiffness** (general aging marker) caused by cortisol.

Clinical studies, on subjects who declare to be stressed, show **visible wrinkles reduction** in the glabellar, forehead, and nasolabial areas (**expression wrinkles**), **improvement of skin elasticity**, **improvement of epidermis thickness** (digital picture available), **reduction of Trans Epidermal Water Loss (TEWL)**, **reduction of skin redness** and **skin radiance improvement**.

Nasolabial Wrinkles reduction on a 45 years old female volunteer

Skin Redness reduction on a 36 years old female volunteer

COSMETIC PROPERTIES

RE-EQUILIBRATION OF CELL CORTISOL LEVEL,
MINIMIZES THE APPEARANCE OF EXPRESSION LINES,
IMPROVES SKIN THICKNESS, INCREASES SKIN ELASTICITY,
SKIN BARRIER STRENGTHENING, REDUCES SKIN REDNESS,
IMPROVES SKIN APPEARANCE

APPLICATIONS

ANTI-STRESS PRODUCTS,
DAILY AND NIGHT CARE,
ANTI-WRINKLES,
ANTI-REDNESS CREAM,
CIRCADIAN PRODUCTS

INCI name: Glycerin, Aqua (Water), Medicago Sativa (Alfalfa) Seed Extract

REGULATORY: EU, USA, China, Japan

USE: 2%

SOLUBILITY: Hydrosoluble

PRESERVATIVES: Potassium Sorbate, Sodium Benzoate
